

ZERO-INTEREST LAYAWAY TERMS AND CONDITIONS

Congratulations on finding the perfect Angel Sword piece! Whether this is your first weapon or the latest addition to your collection, we are happy to accommodate purchases through our layaway program. This agreement sets out the terms of our zero-interest layaway program.

Angel Sword requires a non-refundable minimum down payment of 10% of the purchase price to take a piece off the market and initiate a layaway agreement. The piece will be tagged and secured in our layaway vault until paid in full. Our standard layaway term is for 12 or 18 months with minimum monthly payments calculated as the layaway balance divided equally by the number of months of the agreement. Purchases of \$600 or less have a minimum monthly payment of \$50. Layaway agreements that are 24 months or longer are available for large purchases with a minimum monthly payment of \$200.

You are expected to make monthly payments of at least the minimum amount on your layaway via credit card, debit card, or electronic check. Payments by ACH/eCheck can be made securely online by clicking the link in your monthly statement email. Payments by Zelle can be sent to payments@angelsword.com or the Zelle Tag **ANGELSWORDLLC**. Payments can be made by credit card with a convenience/processing fee of 2.5% for in person, 3.0% for PayPal, and 3.5% for Venmo. Please include your layaway invoice number in the memo when paying by Zelle, PayPal, or Venmo to assist us in matching your payment.

You may cancel your layaway at any time. We may cancel your layaway if we do not receive the minimum monthly payments for 3 or more months during the layaway term. We may also cancel your layaway if your layaway is paid in full and we have not received any communication from you for 90+ days. Upon cancellation, the weapon on layaway will be put back on the market for sale and all monies you have paid will be converted to a credit memo. Credit memos may be used at any time on another purchase from Angel Sword. We do not give cash refunds.

Sales tax and shipping costs will be calculated at the end of the layaway and can be paid with the final payment or within 30 days of the final payment. We use the United States Postal Service's Priority Mail service or Registered Mail service with restricted insurance delivery. Shipping costs within the United States starts at \$25 and are calculated based on the size, weight, and value of the piece. You can also arrange with us to pick up your piece at any of our shows.

Feel free to contact us by email, Facebook/Instagram Messenger, or telephone with any questions or if you have issues making a payment – we are flexible and happy to work with you!
